

NICOLE
We can do this constitution thing *all by ourselves*.

IMOGEN
Yeah

NICOLE
No matter *what* the adults say. *I like that idea*.

TABITHA
No. no no no no

NICOLE
Tabitha? Come on. The “revolution-party-bus” is leaving without you.

IMOGEN
Party bus...

TABITHA
We voted. I thought you were on my side.

NICOLE
Well sometimes people change their mind about things.

Silence. TABITHA shakes her head, a display of power. GILLIAN, fuming, rips her necklace off and slams it on the desk.

START

TABITHA
Why did you do that.
I spent my allowance on that necklace.

GILLIAN
It was literally \$5 at Claire’s

TABITHA
But it’s *more* than that you know this. It’s a symbol of our forever friendship. It’s a promise.

GILLIAN
A promise I don’t feel like keeping anymore.

TABITHA
Why are you so mad right now?

Option 2

I'm not mad.
GILLIAN

What did I do?
TABITHA

I'm not mad!
GILLIAN

Seriously! What did I do? Why are you so—
TABITHA

OH, I DON'T KNOW, MAYBE YOU SAID MY FACE MADE YOU WANT TO PUKE? DO YOU REMEMBER THAT, TABITHA? WHY DO YOU HATE MY FACE?
GILLIAN

~~Whooooaaaa~~
~~NICOLE / IMOGEN / WINNIE~~

STOP! STOP YELLING!!!
TABITHA

The constitution is worthless. It's a cheap plastic promise that gets less and less shiny as time goes on.
GILLIAN

I thought you were my friend
TABITHA

NOT ANYMORE, OKAY? YOU ARE NEVER EVER EVER GOING TO BE MY FRIEND **EVER AGAIN.**
GILLIAN

I'm not.
Changing.
My mind.
For you.
TABITHA

GILLIAN

Then why.
Did I.
Change myself.
for you.

END

*She takes TABITHA's water bottle and bashes the hell out of the necklace.
It's a surprisingly violent (and lengthy) gesture.
THEN: CRASH. Boom... Dream world????*

MYSTERIOUS WOMAN

Finally. Jeez.

TABITHA

Maybe I am losing my mind

A MYSTERIOUS WOMAN appears out of nowhere.

MYSTERIOUS WOMAN

I was having trouble reaching you. But it seems your heart has cracked open just enough for you to see me.

TABITHA

Who are you?

MYSTERIOUS WOMAN

Would it be cliché to say I'm you?
The person in charge. "Little miss leadership" or whatever

TABITHA

You don't look anything like me

MYSTERIOUS WOMAN

Good observation.
Just... suspend your imagination

TABITHA

??? okay???

MYSTERIOUS WOMAN

Sit down.
Um...
I have advice.
